Principal's Diary

Kia ora Te Awamutu Primary School Learning Family/Whanau

Welcome back to Week 6 everyone.

At Te Awamutu Primary School, students are encouraged to value diversity, as found in our different cultures, languages, and heritages, so our learning scope this term (Who in the world are we?) is the question that every student has been exploring. In-depth sharing of family histories and stories has happened throughout the school and there is mounting excitement for Syndicates as they prepare a variety of ways to showcase their learning for the term.

We had tremendous feedback from the "Wobble-boarding" that Syndicate Three students were involved in last week as they raised funds for their upcoming cultural festival. A huge thank you is extended to parents and our hardworking students for the overwhelming support for this.

Maori TV

Tau Kē is Māori Television's tamariki time on television between 4.00-5.30pm, Mon-Fri. Tau Kē is a 100% Te Reo Maori show that promotes fun after school. The presenters Robynleigh Emery, Nanny Mihi and a technical team are visiting TAPS tomorrow. We are very excited!

On Thursday 19 March at 10:00am Maori TV will be filming at Te Awamutu Primary School. All students in Syndicates 3 and 4 have been invited to participate in this presentation. A reminder that students must return permission if they are to participate.

Fresh Choice

We would like to extend our thanks to Fresh Choice who support local schools by holding a weekly draw for a \$100 donation. We would encourage all shoppers at Fresh Choice to write your name and our school name on the back of your receipt and put into their "Donation Draw".

As we celebrate our successes at Te Awamutu Primary, it is timely for us to acknowledge the success of pupils who have left our school, many who are achieving excellent results academically and within the sporting codes.
