WEEK 10 2009

Principal's Diary...

Kia ora Te Awamutu Learning Family/Whanau,

I would like to acknowledge the fabulous work that has taken place this term and all the extremely hard work that parents, teachers and children have put into getting ready for our Show Case presentations. We hope you enjoyed our work and the opportunity to live the learning that the children are a part of here at school. Remember that as a learning community we are all a part of the story, and (as parents) you will be starting to fit into each terms chapter as your son, or daughter piece their learning together.

I would like to wish you all a very refreshing and enjoyable term 2 holiday break.

Just a couple of things to remember at a glance:

Final Assembly this **THURSDAY** (not Friday as features in the calendar) @ 10am in the School Hall – Everyone is welcome to be a part of our term 2 celebration.

Term 3 dates:

Monday 20th July to Friday 25th September

Lost Property Corner:

Please have a look in the lost property bin for any of you child's missing clothing.

Teacher Only Day:

Term 3, Friday 7th August. School will be closed for instruction. Our After School Care Programme will be available from 8am – 6pm.

Spellathon

Thank you to everyone who has supported the
Te Awamutu Primary School Fundraiser
in your outstanding efforts for the Spellathon.

Many children have played a significant part in helping the
Parent / Teacher Association, as we work towards supporting our children and their education.

Prizes for the Spellathon will be presented at the School Assembly to be held this Thursday at 10.00am.

Learning scopes for Term 3

How can we cap off the wonderful learning that has taken place this term? Teams are already well into the planning stage for next term. The focus for our learners will be on "**Enterprise**", innovation, inquiry, and curiosity. For some of our syndicates there will be a dual focus with "**Serving Others**" where community and participation will be part of the common vision for our learning teams.

In providing authentic and challenging learning contexts we will work together to ensure that each student at TAPS achieves their personal best.

Both Viv and Gill wish all of our students and families a safe and healthy break.
