With camp just around the corner, these forms are very important as part of our planning and organising. All three forms need to be filled in and **returned no later than Wednesday 27th July.**

The three forms are:

Parental Consent: This outlines that you understand the risks of camp and the activities that your child will be participating in and give consent for your child to attend and participate.

Health Profile: This gives us valuable information about your child to keep them safe and happy. Please fill in every question to the best of your ability. Information from this form will be used to ensure dietary requirements are met, allergies and health conditions are catered for and we are able to best look after your children while we are away at camp.

Behaviour Contract: This contract needs to be signed by both adults and children. In it, are the ground rules and consequences if they are broken. We want to make sure everyone is safe and happy.

Please ensure these are all filled in and returned to the classroom teacher ASAP. We are starting to create groups, rotations and organising the final details so we need this information to help.

We are asking for a donation of \$100 to help contribute towards the cost of camp. Thank you to those that have already paid this. This is only a small portion of what the camp costs, with the total cost being approximately \$50,000. The \$100 donation covers the cost of food (6 large main meals + snacks and suppers), transport to and from camp (via bus) and accommodation.

As always, if you have any queries, questions or concerns, please don't hesitate to contact your child's classroom teacher or the syndicate leader - Sara Sabin: saras@taps.school.nz
